Educator Guide

Overview

The Educator Guide is like your Ellipsis reference manual. It describes the organization of the curriculum, best practices for navigating lesson plans, and practical tips for teaching your courses. You can always access your Educator Guide as a PDF in the Curriculum Delivery Platform.

Learning Outcomes

Teachers will be able to:

- Describe key elements of the larger computer science landscape.
- Understand how Ellipsis curriculum fits into the K–12 computer science conversation.
- Navigate the Curriculum Delivery Platform and coding platforms.
- Prepare for classroom integration quickly and effectively.
